Sabbath Thought

"Too much importance cannot be placed upon the early training of children. The lessons learned, the habits formed, during the years of infancy and childhood, have more to do with the formation of the character and the direction of the life than have all the instruction and training of after years."

When we come to Him in faith,
every petition enters the heart of God.
When we have asked for His blessings,
we should believe that we receive it,
and thank Him that we *have* received it.
Then we are to go about our duties,
assured that the blessing will be realized
when we need it most.
The Desire of Ages, p. 200
